SUBJECTS

1. Joint Development of Policy Manual Items
2. Updated Forms
3. Obsoleted Forms
4. CDC 4C Agencies List Updated

**1) JOINT
DEVELOPMENT OF
POLICY MANUAL
ITEMS****RFF**

The following statement has been added to the last page of numerous items:

Medicaid, Adult Medical Program (AMP) also known as Adult Benefit Waiver (ABW), Transitional Medical Assistance (TMA/TMA-Plus), and Maternity Outpatient Medical Services (MOMS) policy has been developed jointly by the Department of Community Health (DCH) and the Department of Human Services (DHS).

This does not change existing policy in any way.

Reason: DCH is the single state agency responsible for Medicaid. DCH is no longer maintaining a separate Medicaid manual. The requirement for a joint manual is a federal mandate.

Old Policy: DCH and DHS maintained separate Medicaid manuals.
